PROFESSIONAL SUMMARY

Motivated **Python Full Stack Developer** with hands-on experience in **Python, Django, Flask, JavaScript, React, HTML5, CSS3, REST APIs, MySQL, MongoDB, and SQLite**. Skilled in developing responsive web applications, implementing CRUD operations, authentication, API integration, database management, and Django MVT/ORM architecture. Experienced in building user-focused full-stack projects with clean, scalable, and maintainable code.

CORE COMPETENCIES

- **Programming:** Python, JavaScript
- **Frontend:** HTML5, CSS3, React, Bootstrap, Tailwind CSS
- **Backend:** Django, Flask, Django MVT, Django ORM, REST APIs
- **Databases:** MySQL, MongoDB, SQLite
- **Web Development:** Full Stack Development, Responsive Design, CRUD Operations
- **API & Integration:** REST API, API Integration, Dynamic Content Rendering
- **Authentication:** Django Authentication, Auth0
- **Payment Integration:** Razorpay
- **Development Practices:** Clean Code, Debugging, Application Scalability, Database Management

PROFESSIONAL EXPERIENCE

PYTHON FULL STACK DEVELOPMENT INTERN

Synnefo Solutions | Ernakulam, Kerala | 01/2025 – 02/2026

- Developed client-facing and internal web applications using Python and Django, integrating frontend and backend components for responsive and reliable functionality.
- Collaborated with design and QA teams to develop, test, debug, and deliver maintainable applications while supporting performance and scalability.

PROJECTS

DJANGOBLOGAPP

- Developed a Django-based blog application with CRUD operations, user authentication, registration, and profile management.
- Implemented Django MVT architecture, Django ORM, HTML, and CSS for database management and responsive frontend development.

RECIPESENSE

- Developed an AI-powered Django application for recipe search and dietary filtering based on user-provided ingredients.
- Integrated external APIs for nutritional insights and built a responsive frontend using HTML, CSS, and JavaScript.

GALLERYVAULT

- Built a Django-based gallery application with secure authentication and photo upload and management functionality.
- Utilized Django ORM, HTML, and CSS to manage application data and develop a responsive user interface.

EDUCATION & CERTIFICATION

- **Python Full Stack Development** | Synnefo Solutions, Ernakulam, Kerala | Jun 2025 – Feb 2026
- **Bachelor of Computer Applications (BCA)** | BVM Holy Cross College, Cherpunkal | Graduated: Jan 2025
  Higher Secondary (Class XII) | Holy Cross Higher Secondary School, Cherpunkal | Passed: Mar 2022
- **SSLC** | Holy Cross Higher Secondary School, Cherpunkal | Kerala Board | Passed: 2020
